

JAM – Monday 15<sup>th</sup> November 2021

This morning we had our first JAM session of the year in the Church. We had a great time listening to, and taking part, in the story of Noah. We then made masks and pretended we were going into the ark. We had a snack and talked to our friends and adults about what we had done. At the end we said a prayer and thought about all the children in our class.
